

Pricing for Corporate E-Learning Package

Updated Date: September 2024

Next Review Date: October 2025

This document is a guide to the information relating to corporate licensing. It includes pricing, courses included and terms and conditions.

Note that the pricing for our e-learning courses is based on the operational size of your business, including engineering, contractors and management personnel. The contract duration is for 3 years fixed term and use of the e-learning is unlimited for that time.

1. Company Size Definition

	# Operational Staff (operators/ maintenance/ contractors), Engineering and Management Staff
Small	50
Medium	250
Large	1000+

If your organisation is somewhere between these numbers, we will work out a price based on a linear interpolation.

2. Courses- Base Deliverables

i. Unlimited use of large e-learning courses:

- Introduction to Process Safety E-Learning
- Introduction to Bowties
- HAZOP Participants

ii. Unlimited use of 2-hour small e-learning courses:

- Critical Risk for Directors and Executives- AU/NZ relevant course
- Refresher- Introduction to Process Safety (in development)
- Major Hazard Facility (in development)

3. Pricing per year

i. **All courses purchased (3 year Contract; pay annually)**

	Pricing AUD/ year	Pricing NZD/ year	Pricing USD/ year
Small	\$6800	\$7150	\$4650
Medium	\$16000	\$16900	\$11000
Large	\$31000	\$32500	\$21200

ii. **Single course purchase (3 year contract; pay annually)**

Price on request.

4. Perpetual Pricing.

Safety Solutions can sell the content of the courses outright to the client whom takes ownership at the conclusion of the transaction. Prices can be supplied on request.

5. Bespoke Courses

Bespoke or customised courses can be developed on request. Cost of bespoke courses will vary, depending on size and complexity of the changes.

6. Hosting

Hosting of the course can be provided on either:

- Process Safety LMS (www.processsafetylms.com), no additional cost
- Client internal LMS

7. Terms and Conditions

- Payment to be made annually for up to 3 years.
- The contract is 3 years, fixed term.
- Once the contract is signed and accepted by the client, the annual rate stays the same. CPI increases to be applied after 3 years.
- Extension conditions can be applied, for up to a year at a time.
- Course is to be deleted off clients' systems once the contract term is over.
- Bespoke courses will have Safety Solutions IP, thus clients cannot share the course outside of the company.
- Safety Solutions to provide updates or bug fixes every 6 months, at a minimum.
